Debtors.

Chapter 11

Case No. 22-11068 (JTD)

(Jointly Administered)

**SUPPLEMENTAL GLOBAL NOTES REGARDING THE
DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES
AND STATEMENTS OF FINANCIAL AFFAIRS**

On March 14, March 15 and March 27, 2023, FTX Trading Ltd. and its affiliated debtors and debtors-in-possession (collectively, the “Debtors”) filed Schedules of Assets and Liabilities (each, an “Initial Schedule” and, collectively with attachments, the “Initial Schedules”), Statements of Financial Affairs (each, a “Statement” and, collectively with attachments, the “Statements”) and their accompanying Global Notes (the “Initial Global Notes”) with the United States Bankruptcy Court for the District of Delaware (the “Court”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) [D.I. 865-1083, D.I. 1166]. The Debtors hereby amend Schedule F of Assets and Liabilities of certain Debtors (each an “Amended Schedule” and collectively with attachments, the “Amended Schedules”) and these Supplemental Global Notes regarding the Amended Schedules (the “Supplemental Global Notes”).

The Supplemental Global Notes are in addition to, and do not amend, supersede or replace, other than to the extent expressly set forth herein, the Initial Global Notes. Each Amended Schedule supersedes and replaces in its entirety only the Customer Liabilities listed in the Schedule F of the applicable Debtor from the Initial Schedules. The Supplemental Global Notes incorporate the Statements, the Initial Schedules and the Initial Global Notes by reference, other than to the extent expressly set forth herein.

The Debtors prepared the Amended Schedules with the assistance of their advisors. In preparing the Amended Schedules, the Debtors and their advisors relied on financial data derived from their books and records that was available and accessible at the time of preparation. The Amended Schedules remain subject to further review and adjustment to reflect the Debtors’ ongoing reconciliation efforts. As such, the Debtors reserve all of their rights, including to revise,

¹ The last four digits of FTX Trading Ltd.’s and Alameda Research LLC’s tax identification number are 3288 and 4063 respectively. Due to the large number of debtor entities in these Chapter 11 Cases, a complete list of the Debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors’ claims and noticing agent at <https://cases.ra.kroll.com/FTX>. amend, supplement and/or adjust the Initial Schedules, the Statements, the Initial Global Notes, the Amended Schedules and these Supplemental Global Notes.

Disclosures Applicable to the Amended Schedules

1. Certain claim holders on the Initial Schedule F are listed as “Customers”. The quantities and amounts scheduled for these Customers include the estimated account balance for each Customer, listed in the applicable digital or fiat asset for that balance, based on the Debtors’ books and records. At the time of the filing of the Initial Schedules, the Debtors designated the customer liabilities as contingent, disputed and unliquidated because the Debtors were still in the process of internally examining potential claims. Where applicable, such designations have been removed. Certain customer liabilities on the Amended Schedules are still listed as “disputed,” “contingent,” and/or “unliquidated.” Such liabilities include accounts where the Debtors have identified potentially fraudulent activity; locked tokens; customers using the non-Debtor Embed Clearing LLC (“Embed”) program due to the identification of duplicative withdrawals; and liabilities against Quoine Pte Ltd. (d/b/a “Liquid Global”), FTX EU Ltd. (f/k/a K-DNA Financial Services Ltd., d/b/a “FTX EU”), and FTX Japan or Liquid platforms operated by FTX Japan K.K. (“FTX Japan”), for potential postpetition withdrawal rights. For the avoidance of doubt, customers with customer liabilities listed as disputed, contingent, or unliquidated must file a proof of claim by the respective bar date or their claim may be disallowed and expunged in full.
2. The Debtors have prepared the Amended Schedules to reflect information that became available to the Debtors following the filing of the Initial schedules. These changes include, but are not limited to, the below categories. These Supplemental Global Notes and the Initial Global Notes should be referred to, and referenced in connection with, any review of the Amended Schedules. The descriptions of the Amended Schedules in the Supplemental Global Notes are in summary only; if you are a customer with a potential claim against the Debtors, you should review the Amended Schedules in their entirety.
 - a) **Quoine Pte Ltd. (d/b/a “Liquid Global”) Balances** – The Debtors have prepared the Amended Schedules to include quantities and amounts of applicable digital or fiat assets of Customers against Quoine Pte Ltd. (d/b/a “Liquid Global”), records of which were previously unavailable. Customer activities in Liquid Global were halted on November 20, 2022. Postpetition deposits, withdrawals, and trading activities by Customers of Quoine Pte Ltd. are not included in the Amended Schedules.
 - b) **Customers with Tokenized Equity** – The Debtors have prepared the Amended Schedules to remove tokenized equity from the customer liabilities.

- c) **Customers with Only Non-Fungible Tokens** – The Debtors have prepared the Amended Schedules to add Customers with account holdings that are only comprised of Non-Fungible Tokens (“NFTs”).
- d) **Customers with No Positive Balance** – The Debtors’ continued internal investigation revealed that a subset of Customers were incorrectly scheduled on the Initial Schedules with a net positive balance as of the Petition Date. The Debtors have prepared the Amended Schedules to correct these balances, indicating, where appropriate, instead that such Customers have no net positive balance.
- e) **Corrected Certain Processing Withdrawals, Fees, Vouchers, Token Assignments, and Related Adjustments** – The Debtors’ continued internal investigation revealed that certain processing withdrawals, fees, vouchers, token assignments and related adjustments required correction. The recalculation of such adjustments are reflected in the Amended Schedules. Specifically for customers of FTX EU, certain customer balances reflect reconciliation performed by FTX EU management for an FTX EU customer balance confirmation process.
- f) **Corrected Debtor Entity** – Certain quantities and amounts of Customers were attributed to the incorrect Debtor entity on the Initial Schedules. The Debtors have revised these in the Amended Schedules to allocate Fiat and Crypto holdings to the appropriate debtor.
- g) **Revised Customer Categorization** – Certain quantities and amounts of Customers that were incorrectly attributed to non-Customer claimants on the Initial Schedules have been revised in the Amended Schedule.
- h) **Earn Program** – Customers who were participating in the earn program on the Petition Date have been noted as such in the Amended Schedule.
- i) **Lend Program** – For Customers who were in a lend position as of the Petition Date, the Debtors have identified the lend balances as of Petition Date (shutdown date for FTX EU).
- j) **Embed Program** – Scheduled customer liabilities include amounts which may have been withdrawn postpetition from Embed.
- k) **FTX.com Derivative Positions** – FTX.com customer derivative positions are reported as of the time of petition (November 11, 2022 at 10:00 a.m., Eastern Time). All derivative positions regardless of quantity have been reported.
- l) **FTX EU Derivative Positions** – FTX EU customer derivative positions are reported as of the time of system shutdown (November 11, 2022, at 10:28 p.m., Eastern Time) due to local European Union law. All FTX EU derivative positions were closed to fiat on November 12, 2022.

- m) **FTX EU Withdrawals and NFTs** – For the purposes of the Amended Schedules, pending cryptocurrency withdrawals and NFTs for FTX EU customers are scheduled as against FTX Trading Ltd., not FTX EU, and remain subject to further review.
- n) **FTX Japan Token Balances** – For the purposes of the Amended Schedules, non-whitelisted tokens and derivative positions are not included in the scheduled customer balances. Customer balances at Liquid Japan that were previously unavailable are added to the Amended Schedule. Other balance adjustments made in connection the FTX Japan asset migration and return process may also not be reflected in the Amended Schedule.

3. While the Debtors have made every reasonable effort to ensure that the Amended Schedules are accurate and complete, based upon the information that was available to them at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtors' books and records may result in changes to financial data and other information contained in the Amended Schedules and/or the Initial Schedules.
4. As noted in the Initial Global Notes, in order to preserve the confidentiality of customer identities and compliance with the *Order Authorizing the Movants to Redact or Withhold Certain Confidential Information of Customers and Personal Information of Individuals* [D.I. 1643], customers were scheduled utilizing an unique, individualized customer identification number (each, a "Customer Code") assigned to each applicable customer by the Debtors. The Debtors provided notice of a customer's Customer Code by email to the email on file for such customer. The Debtors did not change any of the Customer Codes in the Amended Schedules. Customers should refer to their previously received Customer Code to determine their scheduled amounts in the Amended Schedules.
5. For the avoidance of doubt, the Debtors reserve all rights to object to all claims listed on the Amended Schedules, the Statements and the Initial Schedules.
